

ADVANCED METER OPT-OUT APPLICATION

This application must be completed by customers choosing to opt out of Automatic Meter Read (AMR) metering. A residential customer may request to opt out from AMR meters at a service location if they are the owner of the property pursuant to Section 3.05 of the WTCPUA Tariff.

I understand that by opting out, I will not receive the benefits of an automatic read meter, including:

- Automated meter reading that does not require a representative to visit my house.
- Access to detailed information on my home's water use that can help me reduce water use and manage costs.

As a condition to opting out of having an advanced electric meter, I agree to pay the following fees:

- A manual meter reading fee as provided in the WTCPUA tariff, currently **\$25.00 per month**.
- A one-time fee as provided in the WTCPUA tariff, currently **\$75.00 per meter**.

I understand if I move out of my current residence and into a new residence, that has an AMR meter, I must complete and submit a new application with payment of the one-time fee.
